### Request for STA Extension

ION Media Philadelphia License, Inc. ("ION"), licensee of television station WPPX-TV, Wilmington, Delaware (the "Station"), respectfully submits this request for extension of special temporary authority ("STA") to continue to operate from an interim antenna using a different tower location than the site authorized in the Station's FCC license. Grant of this request for extension of STA serves the public interest by allowing the Station to remain on the air and continue serving its viewers during the repack transition period.
