MX Group No. 5

Dear Applicants:

This concerns the above-referenced displacement applications for digital low power television stations filed by Scripps Broadcasting Holdings, LLC (Scripps), licensee of KZCO-LD, Denver, Colorado and Syncom Media Group, Inc. (Syncom), licensee of KLPD-LD, Denver, Colorado. You have submitted a settlement agreement to resolve the mutual exclusivity among these applications. Pursuant to the settlement agreement, Scripps has agreed to dismiss its application and will channel share with Syncom on KLPD-LD's displacement channel facilities. These actions will resolve the mutual exclusivity among these applicants in MX Group 5.¹

¹ A third application filed by Digital Networks-Midwest, LLC (LMS File No. 000029989), licensee of K30DH-D, Loveland, Colorado, was mutually exclusive with Scripps' application but not Syncom's. Given that Scripps is dismissing its application as part of this settlement, the mutual exclusivity in MX Group 5 is completely resolved.

Upon review of your settlement agreement, engineering amendment and related documents, we find that it complies with Section 311(c) of the Communications Act, Section 73.3525 and the Commission's technical rules. Wherefore, the application for Syncom is hereby **GRANTED** and the application of Scripps is hereby **DISMISSED**.

Sincerely,

Hossein Hashemzadeh, Deputy Chief
