

Extraordinary Circumstances

The extraordinary circumstances which warrants this Silent Authority is W45CP is operating on channel 45, outside of the spectrum auction "core" of channels 2-36.

W45CP has a Pending Application to move to Channel 29. In order to further the public interest, we are taking the station silent now in order to release the frequency to T-Mobile. Once the Channel 29 CP is granted, we will order the equipment and finish construction before 12/13/2019.
