

WAIVER REQUEST

LOW POWER TELEVISION STATION WNHO-LP
DEFIANCE, OHIO
CHANNEL 35 15 KW (H), 4.4 KW (V) 305.4 M AMSL

1. A continued waiver of the contingent application rule, Section 73.3517 of the FCC Rules, is hereby respectfully requested.*
2. The waiver will allow the applicant to utilize a channel that will become available following Phase 2 of the Incentive Auction repack. This will allow WNHO-LP to continue to serve its current viewers without interruption and it will allow for more efficient use of the limited available frequency spectrum in the market.
3. The applicant agrees with the FCC condition that it not begin transmitting on the requested channel prior to the discontinuation of operation by the subject station currently licensed on the conflicting channel (WOHL-CD, Lima, OH, Ch. 35, Facility ID 68549).†

* See FCC File No. 0000052373.

† WOHL-CD is in Phase 2 and will complete its transition to Channel 15 by April 12, 2019.
