In re: Low Power Television Application of:
Call Sign: KMCA-LD
Facility Id No: 125541
Redding, CA.
Channel: 10
File No.: 0000064266

Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The proposal antenna is Off-The-Shelf with a rotation of 110 degrees which is posting as a directional antenna; however, you did not provide any antenna azimuth values.

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiency with a correct antenna or antenna azimuth values, we will dismiss your application.

Sincerely
