This EEO Public File Report is filed in compliance with EEO rules placed in effect for the period of April 1, 2018 through March 31, 2019. MBC is equal opportunity employer and seeks the help of organizations in referring qualified applicants for various job openings. If your organization would like to be notified of job openings, please contact our office via our website at [jobs@wfmz.com](mailto:jobs@wfmz.com) or call 610-798-4000 ext 4284.

This report covers the employment units of WFMZ-TV in Allentown, PA and WDPN-TV in Wilmington, DE, which are located in the Philadelphia DMA. The information contained in the report is pursuant Section 73.2080 (c) (6) of the FCC 2002 EEO rules. The following information is included in this report:

- 1) A list of full-time vacancies filled by the Station(s) comprising the Station Employment Unit for this reporting period.
- 2) For each vacancy, the recruitment source(s) utilized to fill the vacancy.
- 3) The recruitment source that referred the hiree for each full-time vacancy during the reporting period.
- 4) Data reflecting the total number of people interviewed for full-time vacancies during the reporting period and the total number of interviewees referred by each recruitment source.
- 5) For the purposes of this report a vacancy was deemed "filled" not when the offer was extended but when the hiree accepted the job offer.

Below are four tables of information:

\*EEO Vacancy Information

\*Recruitment Source Information

\*Supplemental Recruitment Measures.

\*Recruitment Source Summary

Below is a detailed list of the stations broad outreach efforts. In addition to these efforts, job vacancies are also posted on the employee intranet bulletin board. From time to time these notices, and widespread understanding of the station's policies among our work force, lead to referrals from current employees. The station also receives applications from qualified persons, of all genders and from all ethnic and religious groups, even when there is no specific vacancy for which we are recruiting. When we receive "cold calls" from persons interested in employment, if an opening exists, they are considered and added into the pool of applicants. If no job is open, they are encouraged to check our website for any new job postings that they may be interested in and instructed to follow the application process listed. Applications are reviewed by a managerial-level employee, particularly when there is a vacancy to be filled. Similarly, where the initial contact is in person, the "source" may be denoted as a "walk-in." "Walk-in" applications are treated in the same manner as "cold calls." In a few instances, the source of an applicant referral may be described as "unknown," where origin of the applicant's interest was not documented.

The largest event is Musikfest, where over one-million people attend.

#### **PARTICIPATION IN SCHOLARSHIP PROGRAMS DIRECTED AT STUDENTS**

The licensee actively co-produces major theatre/performing arts scholarship program called the Freddy Awards. This program was developed in conjunction with the State Theatre in Easton, to encourage students to excellence and help them see career options in the performing artist. Twenty-Nine high schools participated in the annual competition culminating in a live three-hour telecast which was broadcast on WFMZ-TV. The program highlights the talents of the students as well as announcing the winners of various competitions in the performing arts. The event has spurred the local community to more robustly support the performing arts in our local high-schools and has made high-school musicals must see events for the region.

#### **SPONSOR EVENTS IN THE COMMUNITY DESIGNED TO INFORM THE PUBLIC OF BROADCAST EMPLOYMENT OPPORTUNITIES:**

The licensee has developed a Kids News Set, which is complete with a replica of the station's news set, teleprompter, camera and lighting. The Kids News Set was designed to allow children to see how a newscast is produced and ask questions about broadcasting in general. Youth of all ages can sit at the set, read a prepared script from the teleprompter and be recorded. This year the set was at Musikfest in Bethlehem PA, which had over 9 people in attendance over the 10 day festival.

The licensee has developed an on-going educational platform at the Da Vinci Discovery Center for Science in Allentown. The effort includes a multiple interactive kiosk where students and the general public can learn about meteorology and how the forecast and weather presentations are produced. A fully functional chroma-key wall allows the public to experience how forecasters present the weathercast.

#### **EMPLOYMENT OUTREACH**

The licensee also runs announcements to make potential job services aware of how to become a part of the “Job Notification List” for openings at the licensee.
