

WAHU-CD (FID 47705), Charlottesville, VA  
Request for Special Temporary Authority (Silent)

Gray Television Licensee, LLC (“Gray”), licensee of WAHU-CD (“WAHU”), requests authority for WAHU to remain silent while it undertakes certain technical and programming changes. WAHU is currently operated from a shared facility with its sister stations WCAV(TV) and WVAW-LD in Charlottesville, VA. Gray has entered into an agreement to sell WCAV and WVAW-LD and simultaneously to acquire WVIR(TV), also licensed to Charlottesville, VA.

To complete these transactions, Gray must relocate WAHU to the WVIR studio. It must also secure new programming for WAHU as the current programming will remain with WCAV and WVAW. WAHU will resume operations once these technical and programming changes are implemented.
