Subject: Request for deactivation/dismissal of a pending TVTX displacement application
Date: Thursday, April 25, 2019 2:49:43 PM
Importance: High

Dear Hossein:

On behalf of WAND (TV) Partnership ("Applicant"), and further to our telephone conversation earlier today, I am writing to request that pending application, FCC File # 0000071837, call sign W46ER-D, Effingham, Illinois (Facility ID #182814) be deactivated and dismissed so that the Applicant can file an application for a different channel than the one proposed in the underlying application.

Please let me know as soon as you have effected this request so that we can prepare and submit the new application in LMS.

If you have any questions, I can be reached at 772-204-2128.

Thank you.

Sincerely,

Laurie
