

Post-Repack Construction Permit Application for Shared Channel Stations

Sharer Station: WRC-TV, Washington, DC (FIN 47904)

Sharee Station: WZDC-CD, Washington, DC (FIN 50347)

The instant minor change construction permit application is being filed for shared channel stations WRC-TV, Washington, DC (FIN 47904) and WZDC-CD, Washington, DC (FIN 50347). The purpose of this application is to modify each station's shared channel license (WRC-TV License File No. 0000048392; WZDC-CD License File No. 0000048377) to specify the sharer (WRC-TV) station's previously granted maximized post-auction RF channel 34 facilities granted by the FCC on December 21, 2017 (File No. 0000034340).
