

Post-Repack Construction Permit Application for Shared Channel Stations

Sharer Station: WCAU, Philadelphia, Pennsylvania (FIN 63153)

Sharee Station: WWSI, Mount Laurel, New Jersey (FIN 23142)

The instant minor change construction permit application is being filed for shared channel stations WCAU, Philadelphia, Pennsylvania (FIN 63153) and WWSI, Mount Laurel, New Jersey (FIN 23142). The purpose of this application is to modify each station's shared channel license (WCAU License File No. 0000053192; WWSI License File No. 0000053193) to specify the sharer (WCAU) station's previously granted maximized post-auction RF channel 28 facilities granted by the FCC on February 14, 2018 (File No. 0000034346).
