

PUBLIC FILE POLITICAL RECORDS

WSBY-FM FID # 13673

WSBY-FM is licensed to Capstar TX, LLC, which is ultimately owned by iHeartMedia, Inc. ("iHM"). Both the Station, at the local level, and iHM, at the corporate level, have policies and procedures in place to help ensure all required political file materials are timely uploaded to the Station's online file public inspection file. The Station substantially complied with this requirement throughout the license term. However, upon conducting an audit of its online public inspection file in preparation for the filing of its license renewal application, the Station discovered that certain orders, listed below, had not been timely uploaded due to human error. iHM and the Station continually strive to upload all required political file materials on a timely basis, and will continue to seek to improve its efforts going forward.

1 order accepted in the 2nd week of January 2018, placed in the file in the 2nd week of February 2018.
