

### **Outreach Efforts**

Commonwealth Public Broadcasting Corporation stations strive for broad and inclusive outreach. Examples of the efforts made by stations in this employment unit include hosting internship programs, attending job/career fairs, and participating in initiatives designed to ensure equal employment opportunities and prevent discrimination. For additional information concerning the outreach efforts undertaken by stations in this employment unit, see the attached EEO Public File Reports.

During the two-year period covered by this Broadcast Equal Employment Opportunity Program Report, the stations have experienced no notable difficulties in their outreach efforts as of the date of this application.
