Request for Extension of Silent STA

Scripps Broadcasting Holdings LLC (“Scripps”), licensee of television translator station KZKC-LP, Bakersfield, CA (Facility ID No. 65763), hereby requests extension of the Special Temporary Authority (“STA”) authorized in FCC File No. 0000063947 to remain silent pending construction of the station’s new facilities on displacement channel 28.

As a result of the post-auction transition, the station was displaced by T-Mobile and forced to terminate its operation on channel 42. The station filed an application in the special displacement window to displace to channel 28, which resulted in a mutually-exclusive (“MX”) situation with KDKP-LP. The FCC granted the current STA allowing the station to remain silent during resolution of the MX situation and eventual processing of its displacement application.

The station entered into a channel sharing agreement with KDKP-LP, and on February 5, 2019 the FCC granted a shared station construction permit for operation on channel 28 (file no. 0000067701). Scripps respectfully requests extension of the STA to remain silent while it works to construct the newly-authorized facilities on channel 28.
