Request for Extension of Special Temporary Authority

Gray Television Licensee, LLC, licensee of KGNS, Laredo, TX (FID 10061), hereby requests extension of special temporary authority (STA) to continue operating at the parameters specified in STA 0000063741 until the station's antenna can be replaced. As previously explained in the attached Engineering Statement, despite efforts to keep the antenna operational, the extreme age of the antenna resulted in severe deterioration of critical components causing the antenna to fail. The station is operating with an emergency antenna at the parameters specified in the attached STA and Engineering Statement.
