MX Group Nos. 051 and 090

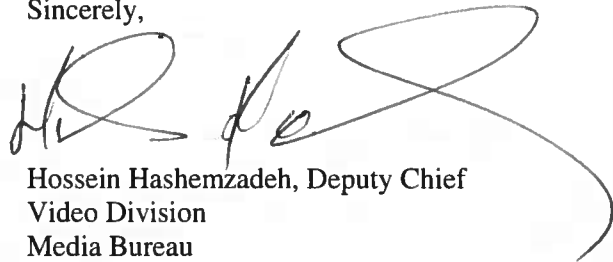

Dear Applicants:

This concerns the above-referenced displacement applications for digital low power television stations filed by TVC NY License, LLC (TVC), licensee of WNYN-LD, New York, New York (WNYN); New York Spectrum Holding Company, LLC (NYSHC), licensee of WYXN-LD, New York, New York (WYXN) and WXNY-LD, New York, New York (WXNY); and Venture Technologies Group, LLC (Venture), licensee of W34DI-D, New York, New York (W34DI), WNJJ-LD, New York, New York (WNJJ), and W25FA-D, West Orange, New Jersey (W25FA). You have submitted a settlement agreement to resolve the mutual exclusivity among

these applications in MX Groups 051 and 090. Pursuant to the settlement agreement, in MX Group 051, NYSHC and TVC have agreed to dismiss their applications for WYXN and WNYN and to the grant of both of Venture's applications for WNJJ and W34DI, as amended. In MX Group 090, Venture has agreed to dismiss its application for W25FA and to the grant of NYSHC's application for WXNY.<sup>1</sup> These actions will resolve the mutual exclusivity among the only applications in MX Groups 051 and 090.

Upon review of your settlement agreement, engineering amendment and related documents, we find that it complies with Section 311(c) of the Communications Act, Section 73.3525 and the Commission's technical rules. Wherefore, the applications of Venture (File Nos. 0000054804 and 0000054813) and NYSHC (File No. 0000053900) are hereby **GRANTED** and the applications of NYSHC, TVC and Venture (File Nos. 0000054668, 0000048135, and 0000054811) are hereby **DISMISSED**.

Sincerely,

<sup>1</sup> Venture's station WNJJ and TVC's station WNYN have also agreed to channel share on WNJJ's granted channel 30 facility. In conjunction with the settlement agreement, a third party, LM II Holdings, LLC, licensee of WNMF, Roseland, New Jersey (Fac. ID 74513), has agreed to request cancellation for a displacement construction permit (LMS File No. 0000072006) that TVC alleges would cause interference to the facilities proposed in its displacement application for channel 30 for WNYN, and to withdraw an application (LMS File No. 0000078092) for modification of that construction permit.
