

Statement Regarding Commencement of License Term

The ultimate parent of the Licensee, Cumulus Media Inc. (“Cumulus”), as well as various other direct and indirect wholly-owned subsidiaries, emerged from a Chapter 11 bankruptcy proceeding on May 10, 2018. As a result, the station licenses which are the subject of the renewal applications being submitted concurrently with this FCC Form 2100, Schedule 396, EEO Program Report, were transferred to the Licensee on June 4, 2018 pursuant to a long-form transfer of control application (File No. BTC-20180322ABI) following Cumulus’ emergence from bankruptcy.¹ Accordingly, the stations which comprise the station employment unit have been under the control of Cumulus, and, thus, the current Licensee, for approximately only fourteen (14) months as of the date of this filing.

As a result of Cumulus’ reorganization, six of the seven members of Cumulus’ governing board of directors are new and had no role whatsoever in the former Cumulus entity.
