

PUBLIC FILE DECLARATION

WDCG – FID 53597

The station is licensed to a subsidiary of iHeartMedia, Inc. ("iHM"). Both the station, at the local level, and iHM, at the corporate level, have policies and procedures in place to help ensure all required materials are timely uploaded to the Station's online file public inspection file. The station substantially complied with this requirement throughout the license term. However, upon conducting an audit of its online public inspection file in preparation for the filing of its license renewal application, the Station discovered that certain items listed below had not been timely uploaded due to human error. iHM and the Station continually strive to upload all required public file materials on a timely basis and will continue to seek to improve their efforts going forward.

Political file material:

One order accepted in the first week of November 2017 and placed in the file in the fourth week of November 2018.

One order accepted in the first week of November 2018 was placed in the file in the first week of December 2017.

Two orders accepted in the third week in November of 2017 were placed in the file in the third week of December 2017.

One order accepted in the third week of November 2017 was entered in the file in the third week of December 2017.

One order accepted in the first week of April 2018 was placed in the file in the second week of May 2018.

One order accepted in the third week of April 2018 was placed in the file in the third week in May.

Other material:

The 2nd Quarter 2017 issues/programs list was placed in the file on 7/11/2017.

The licensee notes that iHM emerged from chapter 11 bankruptcy on May 1, 2019, resulting in significant changes to the list of contracts required to be placed in the station's online public inspection file. An updated contract list has been uploaded to the station's public file in advance of this renewal application, but more than thirty days after iHM's emergence.
