

### **Reduced Power Notification**

ION Television License, LLC, licensee of KPXE-TV, Kansas City, Missouri (FCC Facility ID 33337, (the "Station") hereby provides notice that the Station began operating at reduced power on July 12, 2019.

The Station is undergoing a transmitter equipment upgrade. Due to space constraints in the transmission facility, the Station is operating at a reduced power level until the new transmitter installation has been completed. The Station expects this work will take approximately three weeks to complete.

If the Station is unable to resume full power operation by August 12, 2019, a request for Special Temporary Authority will be submitted.
