WDGA – Facility ID #49235

P.O. Box 1740
Dalton, GA 30722

Dear Sir,

We are unable to construct the facilities on time for the CP for WDNN and WDGA because the antenna will not arrive until after the date assigned to us.

We are putting up temporary facilities and applying for a STA to cover the operation at lower power while waiting on the final antenna.

We are asking for a 3 month extension. Please see attached letter from Jampro Antennas.

Thank you,
Deborah Boyd
