Internal journalist and Reporter: a man is hired to substitute a man that left short after H. Maria

Reporter: a man is hired to substitute a man that left short after H. Maria.

**EFFORTS TO GET PEOPLE INVOLVED IN BROADCASTING AND BROADCASTING JOBS:**

(1) WAPA RADIO was the only radio station network that maintained on the air during Maria Hurricane. WAPA RADIO made an invitation to all communicators, journalists, broadcast related career students to assist in a marathonic live coverage of the crisis in Puerto Rico due to Maria Hurricane. This coverage lasted for more than four months and counted with on air personalities from WAPA Radio, competing

media, social oriented entities, non-profit organizations, journalism and broadcast related production and control room operator students. The OPEN HOUSE experience available to all people interest in radio broadcasting made people get interested in an employment opportunity at WAPA radio network.

(2) EVERY TIME WAPA needs to hire personnel an intensive campaign on the air on all of the stations of the WAPA RADIO NETWORK is made for at least two weeks before hiring giving the opportunity to people islandwide to participate in this talent search. The announcement specifies that WAPA is an equal opportunity employer. WAPA radio is a NEWS/TALK station that is daily followed by people having interest in being hired in broadcast related jobs as journalists, control room operators, and or production.
