

Request for Special Temporary Authority Nunc Pro Tunc to Operate at Reduced Power

Word of God Fellowship, Inc. (“WGF”), the licensee of television station WNTI(TV), Ithaca, New York, hereby respectfully requests Special Temporary Authority to operate at reduced power. WGF previously notified the Commission that it had been operating at reduced power since August 2, 2019. Due to an issue during commencement of service on its post-auction facilities, WGF determined that its air conditioning system could not support the heat generated by its new transmitter.

WGF is continuing to work to make the necessary repairs to the cooling system in order to return to the station to full power operation, however, the repairs are taking longer than anticipated. Accordingly, WGF requests Special Temporary Authority to continue operation a below 1kW TPO for a period of 60 days, or until such time as all repairs are complete.
