

WJCT-FM, Jacksonville, FL  
Facility ID 73125

Form 2100 – Schedule 396

Narrative Statement

During the past two years and throughout the license term, the licensee has utilized numerous and diverse referral sources for job openings and those sources have resulted in sufficient numbers of applications that warranted interviews. In addition, we have informed the community generally about broadcasting careers through a robust internship program, participation in job fairs and career days, staff teaching of journalism students, station tours, employee EEO training, and other activities beyond the minimum required.
