PUBLIC INSPECTION FILE

Pensacola Christian College, Inc. (“PCC” or “Applicant”) discloses that it inadvertently failed to upload its issues/programs list for the third quarter of 2014 during the transition to the online public file; instead, PCC erroneously uploaded the list for the second quarter of 2014 twice. Additionally, PCC failed to update its donor lists, and neglected to upload a list of the contracts listed in its ownership reports. These oversights have been corrected as of this filing.
