

Program Test Authority Exhibit

Pursuant to the construction permit granted in LMS File No. 0000082311 and pursuant to Sections 73.1610 and 73.1620 of the Commission's rules, the instant application shall serve as notification that Knoxville TV LLC, licensee of the above-referenced digital television station, has commenced equipment test and program test operations, in accordance with the terms of the above-referenced construction permit. Following successful testing, the permittee plans to file an application for a license to cover the construction permit with the Commission within 10 days of commencement of program testing.
