

### **Antenna Technical Data**

Upon completion of this minor modification to a license application, a draft copy was printed. It was noticed that the antenna technical data is not accurate. The previously licensed antenna data was auto-filled in this minor mod application. The previously licensed antenna info is as follows:

ERI SHPX-8AC 8 sections Wavespace: 0.9

The correct antenna technical data for this minor mod app is as follows:

ERI SHPX-8AC 8 sections Wavespace: 1.0
