

**EXHIBIT**

In response to “Alien Ownership”, it is noted that the Licensee has responded to all questions in the negative and should not be required to either attach or request a Declaratory Ruling, however, an exhibit is required in response to this item.

In response to “Equity and Financial Interests”, it is noted that the Licensee is a nonstock entity with a governing board.

In response to “Other Authorizations”, it is noted that the Licensee is also the licensee of NCE Radio Station WLCU-FM, Campbellsville, KY (FIN: 176645).

In response to “Special Operating Conditions”, Licensee clarifies that the facility was constructed in technical compliance with its Construction Permit. While preparing the instant License to Cover application, it was noticed that medical facility notifications were outstanding. They are ongoing as of the time of this filing.

In response to “Public Inspection File”, it is noted that the Licensee’s Public Inspection File is maintained online in material compliance with the FCC’s regulations.
