W291CC Haverhill, MA - Facility ID: 150780
Application for License to Cover CP – BMPFT-20190918ABE

Special Operating Conditions or Restrictions

1. Operating Condition number 1 on the Construction Permit anticipates that the antenna for W221CC will be mounted on an AM broadcast station tower (WCCM(AM) Haverhill, MA Facility ID 49382). In fact the tower supporting the translator antenna is approximately 100 feet away from the tower used by the AM broadcast station. The tower W221EE will be mounted on is skirted and detuned to WCCM(AM). The only change required for the W291CC construction is to replace an existing antenna with a new one. There is no impact to WCCM(AM).
2. This application for license satisfies condition 2 on the permit.
3. The permittee/licensee in coordination with other users at this site will reduce power or cease operation as necessary to protect persons having access to this site, tower and antenna, from radiofrequency electromagnetic fields in excess of FCC guidelines.

See 47 C.F.R. Section 1.1306

A Commission grant of this Authorization for this location will not be an action which may have a significant environmental effect. (See 47 C.F.R. Section 1.1306)
