

Amendment Explanation

The instant amendment is being submitted because WUNM-TV originally filed its 10-Week Transition Plan Progress Report (“TPPR”) on June 27, 2019, when WUNM-TV was still assigned to Transition Phase 5. Since that time, WUNM-TV’s Transition Phase has been changed to 7, and Phase 7 stations are required to file a 10-Week TPPR by November 8, 2019. Hence this amendment to WUNM-TV’s pending 10-Week TPPR.
