## Living Waters Assembly of God

### Greenfield, MA

This exhibit is being submitted in response to a problem in the Licensing and Management System when preparing this License Application.

#### **Antenna Location Data:**

**Antenna Data:** In this section the Effective Radiated Power, Horizontal component would not accept the granted 100 watts power. When proceeding forward in the application it was noticed the Horizontal wattage changed on its own to 1.0E-4 or 1.0000000000000001E-7 W. The actual wattage is 100 watts for both Horizontal and Vertical.
