

Extraordinary Circumstance  
For Special Temporary Authority  
KFAW-LD Ch 32 Midland, TX

KFAW-LD Channel 32 is seeking Special Temporary Authority to go on the air at reduced ERP, pending the re-installation of new transmission and antenna. Channel 32 had to be shut down in order to prevent further damages to their transmission equipment after it was damaged by a tower crew working for Dish Network.

KFAW now has the new antenna and line and is currently waiting for a tower crew to install them.
