

WFFG Online Public Inspection File

Since Philip von Kahle, Assignee for the Benefit of Creditors, acquired control of WFFG(AM), Marathon, Florida (Facility ID No. 65664) (“WFFG”) on June 4, 2018,¹ WFFG did not fully comply with certain online public inspection file (OPIF) requirements:

Post-Consummation Ownership Report. The post-consummation ownership report for File No. BAL-20180518AOS, reflecting Mr. Kahle’s acquisition of WFFG, was not filed until July 17, 2019.² Accordingly, the report was not uploaded to WFFG’s OPIF by the requisite deadline. The report now appears in WFFG’s OPIF as of the date of this Application.
