

Online Public Inspection File

Since Higgs Multimedia Group, LLC (“Higgs”) acquired WWUF(FM), Waycross, Georgia (Facility ID No. 71149) (“WWUF”), on August 10, 2018,¹ Higgs has failed to comply with certain Online Public Inspection File (“OPIF”) requirements for WWUF:

Section 73.3613 Contracts/Documents. Higgs inadvertently failed to upload a copy of its Articles of Organization as required by Section 73.3613 of the Commission’s rules to WWUF’s OPIF by the requisite deadline. Higgs’ Articles of Organization has now been uploaded to WWUF’s OPIF.
