

## **ONLINE PUBLIC INSPECTION FILE**

In the process of reviewing its online public inspection file, the Licensee discovered that certain documents were either missing from the file or not uploaded in accordance with the timing requirements of Section 73.3526. The majority of the missing documents have been uploaded to the online public file. However, in its review process, the Licensee has been unable to locate the original quarterly issues programs reports from 2012. These quarterly reports were in the station's physical public inspection file, but the station inadvertently failed to upload them to the online public file. The station has compiled available information about issues responsive programming that aired during each quarter of 2012 and has uploaded this information to the online public file.
