Hello Mark,

I would like to request the use of virtual channel 21 for KZHD-LD in Santa Rosa, California. Please find attached a map showing no conflict with virtual channel 21 in the vicinity of KZHD-LD. One Ministries, Inc. has obtained permission for Outspring, licensee of KZHD-LD to request a change in virtual channel for KZHD-LD. Outspring and One Ministries, Inc. have an assignment application on file to assign KZHD-LD to One Ministries, Inc. A minor modification is on file to move KZHD-LD to RF channel 22 from channel 49.

Sincerely,  
Keith Leitch  
President and Engineer, One Ministries, Inc.
