

### **WRRJ(FM) Online Public Inspection File**

During its most recent license term, WRRJ(FM), Cocoa Beach, Florida (Facility ID No. 93959) complied with certain online public inspection file (OPIF) requirements as provided in Section 73.3526 of the Commission's Rules<sup>1</sup> except the 2015-2018 Issues Programs Lists were not uploaded.

Black Media Works became the licensee of Station WRRJ on June 17, 2015. Unfortunately, the licensee has been unable to recreate these issues/programs lists.

WRRJ is not located in a top-50 market and does not have 5 or more fulltime employees. Thus, pursuant to 73.3526(b)(2)(i), WRRJ's online public file compliance deadline was March 1, 2018.

The licensee takes its public inspection file obligations seriously and has established new procedures to ensure compliance with the OPIF requirements going forward.
