

The map displays the service area for WAMY(AM) around its transmit site in Bigbee, Alabama. Three concentric contours are shown:

- Green Contour:** Proposed 60 dBu level, labeled "60 dBu W234DZ".
- Blue Contour:** WAMY's Protected 2 mV/m level, labeled "2mV/m WAMY(AM)".
- Red Contour:** 25 Mile Radius from WAMY's Transmit Site, labeled "25 mile WAMY(AM)".

The map includes numerous towns and cities in Alabama and Georgia, such as Troy, Prattville, Montgomery, and Milledgeville. Major roads like I-65 and I-85 are also depicted.
