Online Public Inspection File

KAYT is not located in a top-50 market. Thus, pursuant to 73.3526(b)(2)(i), KAYT's online public file compliance deadline was March 1, 2018.

There are some issues/programs lists in the station's online public file that were not uploaded in a timely manner pursuant to 47 C.F.R. §73.3526 of the Commission's Rules.

Those station employees who have responsibility for preparing and maintaining the documentation required to be uploaded to the station's online public file have been reminded of the FCC's requirements with respect to these matters and have implemented procedures to ensure that the required documentation will contain all of the appropriate information and will be placed in the station's online public file in a timely manner going forward.
