Re: WAAY 31.1 E/I Programming Note, for FCC 398 2019

Due to changes in FCC rules regarding E/I programming, effective 4thQ 2019, WAAY moved 1 hour of the 3 hours of Litton E/I Programming we air weekly, to air outside the 6am-10pm window, as permitted by new regulations. "Oh Baby!" began to air twice (two episodes weekly) late night on Sunday nights, at 1:05am and 1:35am, weekly, effective Sunday October 5, 2019, until further notice.

Thank you,

David Keller
WAAY Programming
