

EXHIBIT 13 - 74.1204 OVERLAP SHOWING

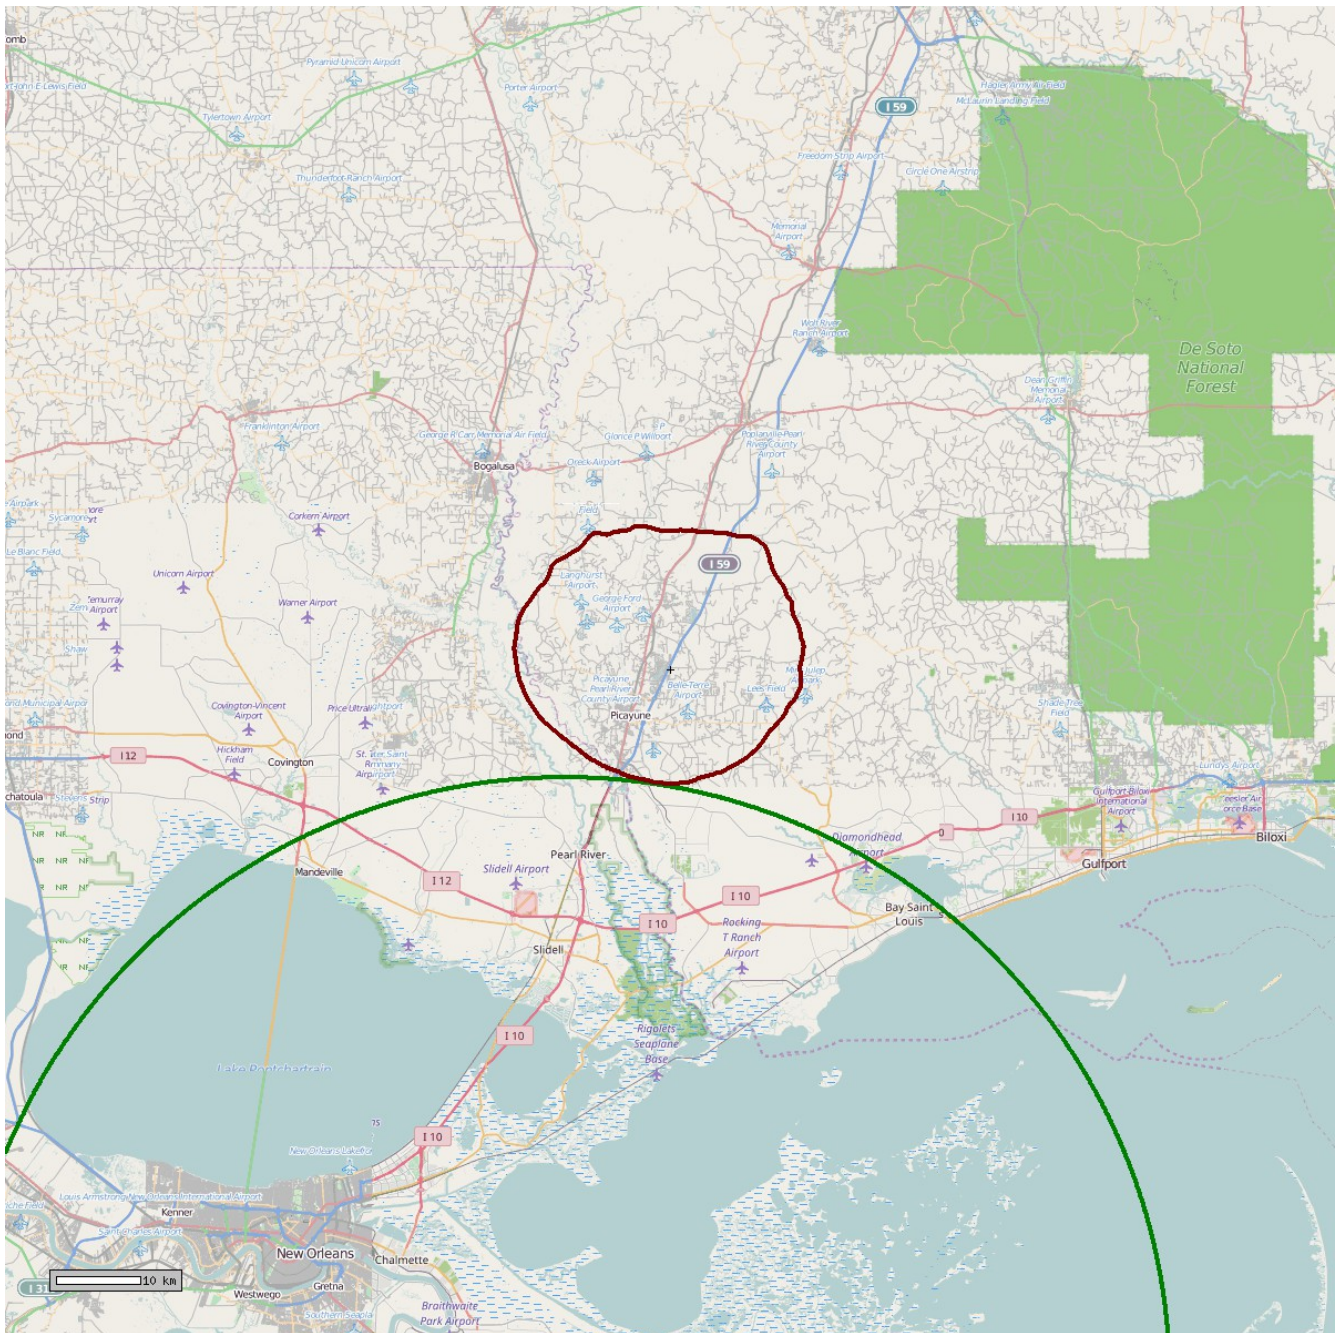

Figure 1: The map above depicts the F(50,50) 60 dBu contour of station KKND 106.7 FM at Port Sulphur, Louisiana (Facility ID 58395, green contour) and the F(50,10) 54 dBu interfering contour of the proposed WRJW fill-in translator, W295DG (Facility ID 202626, dark red contour). As demonstrated above, there is no prohibited overlap between the two facilities.
