RE: FRN: 0009307703 ; Call Sign: WBXB; Facility ID: 18649

We hereby **request a waiver under FCC Rule 47 CFR 73.3539** due to our late renewal request.

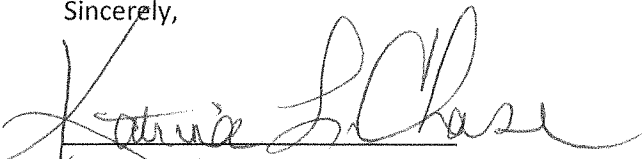

We made the required pre-filing announcements but were confused about the deadline for filing the license renewal application.

During the past license period, this applicant also missed deadlines for (1) fee payments for this facility, which are now being paid under a payment plan, and (2) required filings. Therefore, we hereby also **request waivers under the following FCC rules** for the following reasons:

- **47 C.F.R. Section 73.3526** - for being late uploading the required PIF files from the main studio to the OPIF.
- **47 C.F.R. Section 73.3540** - The Executor of the Willis Estate abruptly resigned in 2015 and I was appointed by the judge as the Executor and President. However, we failed to file a timely request for Transfer of Control (FCC Form 316). Such application is now being prepared for submission to the FCC.
- **47 C.F.R. Section 73.3615** – We missed filing Biennial Ownership Reports (FCC Form 323) for 2013, 2015, and 2017.

We apologize for our mistakes, promise to adhere to required filing schedules and fee payments and humbly ask for your consideration of our waiver request.

Sincerely,

A handwritten signature in black ink, appearing to read "Katrina L. Chase", written over a horizontal line.

Katrina L. Chase, President
