

### Compliance with Section 73.3555(a) of the Commission's Rules

The sole member of Alliance Radio, LLC is the Polish National Alliance of the USNA ("PNA"). PNA also is the sole shareholder of Alliance Communications, Inc., licensee of AM station WPNA, Oak Park, IL (Fac. ID 1093). Both WPNA and WPNA-FM are located in the Chicago radio market, and PNA has no other broadcast interests. The minor modification proposed here for WPNA-FM will not create any question with respect to PNA's ongoing compliance with Section 73.3555(a) of the Commission's rules, given that it is permissible under that rule for one party to have ownership interests in an AM station and an FM station in the same radio market, regardless of the market's size.
