ENGINEERING REPORT

KGMX(FM), Lancaster, CA, Channel 292A Antenna Height Increase Application

ENGINEERING STATEMENT

Included as an attachment is Table 1 – a Channel Study for channel 292A. Grand-fathered second-adjacent channel FM stations KPWR (Los Angeles 290B) and KROQ-FM (Pasadena 294B) do not require protection pursuant to 47 CFR Section 73.213(a)(4). Also, KRAB (Greenacres 291B1) and KALI-FM (Santa Ana 292A) are deemed protected pursuant to 47 CFR Section 73.213(c).

A Notice of Proposed Construction or Alteration was filed with the Federal Aviation Administration. The ASN is 2020-AWP-2588-OE. A copy of the FAA Notice is attached to this application for your reference.
