Form 398 Q. 7c WDEF STATEMENT OF EXPLANATION

On February 18, 2009, WDEF transitioned totally to digital channel 12.1 and shut down its analog signal on Channel 12.

As a result, WDEF broadcast 3 hours weekly of Children's Core Programming on its main digital program stream 12.1, during the 4th quarter, 2019.

WDEF also broadcast an additional 3 hours of Children's Core Programming on the second stream 12.2, during 4th quarter, 2019.

Effective March 1, 2016 WDEF also broadcast an additional 3 hours of Children's Core Programming on the third stream 12.3, during 4th quarter, 2019.

Effective February 1, 2018 WDEF also broadcast an additional 3 hours of Children's Core Programming on the fourth stream 12.4, during 4th quarter, 2019.
