

WZPL(FM) Renewal Certification Exhibit

Preliminary Statement

Radio License Holding SRC LLC (“RLH”) acquired this station on May 9, 2019.¹ Accordingly RLH is responsible for the contents of the online public file as of that date.

Online Public Inspection File

There are documents in the station’s political file that were not uploaded in a timely manner pursuant to 47 C.F.R. §73.3526 of the Commission’s Rules. In addition, despite the licensee’s diligent efforts, there are documents that were not filled out in their entirety, e.g., a list of the officers or board members for non-candidate issue ads, or where the issue was of national importance, a statement about the issue. In such cases, the advertiser failed to provide this information.

Those station employees who have responsibility for preparing and maintaining the documentation required to be uploaded to the station’s online public file, including its political file, have been reminded of the FCC’s requirements with respect to these matters and have implemented procedures to ensure that the required documentation will contain all of the appropriate information and will be placed in the station’s online public file, including its political file, in a timely manner going forward.
