5 March 2020

I, William Taylor, hereby certify that I provided direct supervision of the installation of the directional antenna specified in construction permit BPED-20190522AAL, WEFT, Champaign, Illinois, Facility ID 71419, and that it was installed per the manufacturer's specifications.

I am principal engineer of Primary Communications Project, a not-for-profit 501(c)(3) firm specializing in the engineering needs of indigenous and community broadcasters; am a broadcast engineer of 45 years experience; have supervised the design and construction of numerous broadcast transmission facilities in North and Central America.

Respectfully submitted the 5<sup>th</sup> day of March 2020.

A handwritten signature in black ink, appearing to read "William B. Taylor", written over a horizontal line.
