**RE: FCC BROADCAST PERMIT FILE NUMBER BPED-20190522AAL  
WEFT ANTENNA – 4307 GOLD FINCH ROAD, CHAMPAIGN, ILLINOIS**

To Whom it May Concern;

I, Edward L. Clancy, hereby certify that on March 3, 2020, I provided directional control for orienting a transmitting antenna for WEFT broadcasting station in Champaign, Illinois. The antenna is located in the Northeast Quarter of Section 20, Township 20 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois.

On March 2, 2020, antenna technicians mounted and aimed the antenna at the azimuth mark; and on March 3, 2020, I checked the aiming of the antenna using a Total Station. I determined the antenna is oriented (aimed) at the azimuth of 300 degrees true north within an accuracy better than 0.5 degrees.

I, Edward L. Clancy, hereby certify that I am a Professional Land Surveyor registered in the State of Illinois.
