

Public Inspection File Certification

The Licensee acquired the Station on September 5, 2018; accordingly, this certification only applies from September 5, 2018 to present. Based on Licensee's review of the public inspection file for the station, Licensee believes, to the best of its knowledge, that all documentation required to be uploaded to the online public inspection file has been uploaded in material compliance with Section 73.3526 of the Commission's rules. Certain documentation may have been uploaded to the incorrect section of the public inspection file and such uploads have been corrected to the extent possible.
