

### **Exhibit 1**

Pursuant to Section 73.1620 of the rules, Graham Media Group, San Antonio, Inc., licensee of KSAT-TV, San Antonio (the “Station”), notifies the FCC that the Station has commenced program tests with the facilities authorized in Construction Permit LMS File Number 0000035781. A License to Cover application will be submitted within ten days.

The Station has made appropriate notifications to health care facilities as required by the condition on the construction permit and documentation of those contacts has been placed in the Station’s public inspection file.
