Dear Mr. Hashemzadeh:

We would like to request an extension for the STA we have on K34KT.

We need to keep this station on the air to be able to deliver information to our residents. With Virus safety and the fire season approaching, it is vital to be able to get emergency weather and other information out to the public.

If you have any questions, please call me at (760) 927-4388

Sincerely,

Victor Valley Public Television Inc.
