Juab County filed for new channels in the 2009 Filing Window and was granted a CP on Ch 39. BNPDTT-20090825BDL A Special Temporary Authority Application was filed and granted to provide the community of Nephi with over the air television signal, the original STA for Ch 39 was granted on 9/14/2010. This STA was continuously renewed and was changed to Ch 22 on 9/11/2018 (BLANK 0000059366) as part of the UTAH State Repack Plan. It currently is operating pursuant to STA Extension File #0000102250.

Existing translator site, no new construction.

This amendment is seeking a new displacement channel on 22.
